### **Confidentiality of Library Records**

Library records which contain names or other personally identifying details regarding the users of the library, including but not limited to records related to the circulation of library materials, computer database searches, interlibrary loan transactions, reference queries, requests for photocopies of library materials, title reserve requests, or the use of audio-visual materials, films or records, shall be confidential and shall not be disclosed except to the extent necessary for the proper operation of the library, and shall be disclosed only upon request or consent of the user or pursuant to subpoena, court order or where otherwise required by statute.
