The galley occupies two distinct spaces in the library, the upstairs hall in front of the elevator, and the downstairs hall from the elevator corridor to the Community Room. Artwork must be two dimensional and able to be hung with the Gallery's existing hanging system. Artists can post contact information for viewers interested in purchasing artwork to contact the artist directly, as no sales are allowed at the library. The library is not responsible for the security of the artwork.

The artist is responsible for hanging the artwork, helping to publicize the exhibit, and scheduling an exhibit opening.

Please make a copy of this application to keep with your files.
